

National Whitewater Guide Awards 2021

Raft Guide Award Pathway

**NB: While not a pre-requisite for these awards, industry good practice requires guides to hold a current first aid certificate at the standard outlined.*

- **Raft Guide** - NZQA Unit Standard 6400 or equivalent
- **Senior Guide** - NZQA Unit Standard 6400 and 424 or equivalents

It is up to the workplace to have systems in place to ensure guides hold current first aid certificates.
